

## Baptism Class

Baptism is such an important part of the Christian life. While the Bible has a lot to say about baptism, many believers remain confused

by its significance, relevance, and purpose. It is with this in mind that Mark Nichols is going to be teaching a class on Baptism in the Student Center (Jr. Church part of Annex) during the Sunday school hour (9 am – 9:45 am) on November 17th. This is a single class for literally people of all ages. This class will be appropriate for kids and adults. Maybe you've already been immersed but you have questions about baptism – then this class is for you. Maybe you have a child who is asking about baptism, but you're not sure what to say – bring them to this class with you! Maybe you've never been baptized and are embarrassed to ask any questions – then this class is definitely for you. Regardless of your knowledge about the Bible, Mark will explain and teach baptism in a way that people of all ages and Biblical understanding will have a good understanding on Christ's command to be baptized in the name of the Father, the Son, and the Holy Spirit. This will be a safe environment where you can come and ask questions and seek answers from God's Word! If you are interested in this class, please be sure to sign up in the fellowship hall. If you have any questions, please contact Mark Nichols (Mark@burnsidechristian.org or call or text him at 217.357.4753).
