

Part-Time Associate Minister of Burnside Christian Church

On November 13th there will be a congregational vote to approve Dan Nichols to become the part-time associate minister of Burnside Christian

Church. Dan is Mark's dad who will be retiring from his ministry at the end of this year. If approved, Dan's main responsibilities would be: Leading an adult bible study, teaching an adult Sunday school class, making home visits and hospital visits. Dan would not be receiving a weekly paycheck, but has instead requested that he and his wife Sherilyn (rhymes with Marilyn) be allowed to live in the parsonage rent free and have the church pay the utilities (which would be the electric bill). Dan Nichols has over 55 years of ministry experience and is an excellent teacher of the Bible. If you have questions or concerns about this potential hire, please talk to the elders.

Dear Church Family,

It is hard to convey into words how much things have meant to me & my family since my son Eric's death. The kind cards, memorial money, gifts, flowers & home visits were all so appreciated. The wonderful lunch served by the church after his service was just what we all needed to share funny stories of Eric. I even heard from some of his friends & other relatives how he had inspired them in some way. Thank you to Mark for his beautiful message. Most of all, thank you for all the prayers said for Eric these past hard years & for letting me know you were praying. We prayed for his healing & he is now healed & at peace with our Lord. God bless you all.

CARE

The BCC Missions team is going to highlight a mission each month in our newsletter - November's mission is CARE. CARE stands for Christian Adoption Resources & Education and serves Hancock County. Their mission is to demonstrate the gospel in caring for vulnerable and orphaned children. Their vision is to provide resources, education, and assistance to adoptive and foster families by partnering with local churches, such as BCC, to care for vulnerable children in our community.

BCC has been working with CARE to take care of a family in Nauvoo, led by Dianne Balmer. Thank you for all who have helped this family.

Several members of BCC have also volunteered their time at an event at Son Valley Youth Ranch where foster and adoptive parents were treated to a dinner while the volunteers entertained the kids. (photos)

November is a month where we recognize Stand Sunday/Orphan Sunday on November 13th. Let's join together with others and uplift the foster and adoptive communities with our prayers and support.

October 2022

Dear Friends,

Thank you for the interest and support you have shown to this ministry in the past and for your continued prayers for our brothers and sisters in Haiti. Now more than ever, they need our help, and we appreciate you so much. As you have probably been hearing on the news, Haiti is in deep distress. Below are some comments and observations from Volner...

"The political situation affects all of Haiti and our people are not exempt as prices for everything have just taken another leap in the sky. Just talking to people on the ground you can feel their pain. Never have I received as many requests for help. Someone who had lost everything due to a kidnapping case last year where not only did they pay the money asked, but ended losing the person that was kidnapped, recently sent a request for \$30.

The gangs are so powerful they currently cut access to the only storage station for fuel. Banks are now open only two or three times a week and for just a few hours when they are open. Dieuner (the person who helps with ministry funds distribution) had to wait for several days after I sent him the money to distribute because the bank in Pignon had a very limited amount per person/per transaction.

Thankfully, no one we know of has been reported with Cholera, but it is present in the country. The water system for both Pouille and Savanette is still working and with the money we send to Haiti, they are still able to purchase what is available to them, even though it is at higher costs. Schools were supposed to be back in session since October 3rd, but because of the situation, have been postponed."

"I really don't like to write updates like this, but please feel free to share as I am sure people will continue to pray for improvement of the situation." -Volner

Volner had intended to return to Haiti in November, but was strongly discouraged from doing so by ministry workers in Haiti. Please join us in praying for all those in Haiti who know the Lord, that they will be lights to those around them, and that those causing harm will turn from their destruction.

Serving our Lord together,

Becky Smith, Treasurer
